RAILROAD BUILDER.

What Col. Twitchell Says About Black Range Railway.

TO BE BUILT UNDER CONDITIONS.

Colonel R. E. Twitchell, president of the Black Range Rallway company who passed up the road the other day, Mexico is admitted as a state "the was interviewed relative to the pros state" of New Mexico has an unres- pects of construction of the line protricted ballot without regard to sex or posed from Magdalena to Chloride Colonel Twitchell said:

"A contingent contract has been eniness conditions would be restored. The seen that this was an election year, to Socorro through the construction of livered to the Texas officers. this line cannot be over-estimated. The and a most advantageous traffic agreesent has been promised. The people of years after it took place, Socorro and Slerra countles have not ully considered the immense advantages to them growing out of the contruction of this line. It is admitted that the road will open up the most promising mining districts in this terflory, as the Black Range is as yet ractically an undiscovered country. The promoters do not expect to make much out of the proposition themselves, but they will have the satisfaction of knowing that they have done something substantial for New Mexico and

her people." BANTA FE PLYER.

Agent Conrad Receives Official Circular-

Starts From Chicago on Nov. S. A. L. Conrad, the popular Santa Felocal agent, has received the following dreular of instruction from headquarers at Topeka, Kansas:

'The California limited, via Santa Fe coute, will be resumed for season of 1900-1901, beginning November 5, westbound from Chicago, and beginning November 13, eastbound, from Los Angetem.

"Owing to relay in the delivery of new engines intended for this train, it will, for the present, run tri-weekly and to Los Angeles only, leaving Chicage and Los Angeles Tuesdays. Thursdays "Early in December the daily service

San Francisco will be inaugurated as It is understood that, under the triweekly arangement. Albuquerque people will see very little of the limited trains except when they stay up late at nights. For instance, the westbound train will leave for the coast at 12:15 p. m., and the east-bound train vill leave for Chicago at 11:40 p. .m The train from the east will reach Alouquerque on Wednesdays, Fridays
